===== Forwarded message =====

Hi Aditya,

This is with reference to your resignation letter dated 09th February, 2026. The company has accepted your resignation, and you will be relieved from your duties at the close of business hours on 09th April, 2026.

Please note that any leave taken during the notice period will result in an extension of your notice period and will be treated as Loss of Pay (LOP) if not regularized.

You are requested to hand over your responsibilities to your manager or the designated team member, as advised by your reporting manager. Kindly ensure the return of all company property and documentation that may be in your possession.

To ensure a smooth exit process from Realatte, please take note of the following formalities:

Exit Formalities Checklist:

Attendance Regularization

Please regularize and get your attendance approved online by your reporting manager prior to your last working day. If this is not completed, the attendance as per system records will be considered final. Post-departure email approvals will not be accepted.

Salary Slips Download

Please download all your salary slips before your last working day. The company will not provide this documentation post your exit.

**Mandatory Forms Attached**

Please find attached: Exit Interview Form and Exit Clearance Form

Work Handover Documentation

Submit the following to your reporting manager:

Detailed SOPs (with links, objectives, calculations, and processes)

Client case studies or PPT compilations of your work

Conduct During Notice Period

We trust you will continue to fulfill your duties with dedication and professionalism during the notice period.

**Exit Interview & Clearance Process:**

Please complete and carry the Exit Interview Form for your final discussion with HR on or before your last working day.

The Exit Clearance Form must be signed by all authorized stakeholders and submitted to HR on your last day. Incomplete or unsigned forms will result in a hold on your Full & Final (F&F) process and delay issuance of the relieving letter.

**Full & Final Settlement:**

Your Full and Final Settlement (F&F) will be processed **after 45 days from your last working day**, and the payout will be released on either the **15th or 30th of the following month**, depending on the **accounts payment release schedule**.

Any employees responsible for client billing/invoicing must ensure all client bills are cleared and closed. The Finance team will coordinate directly with respective account managers to confirm dues.

**Additional Reminders:**

Please submit proofs of investment and supporting documents for accurate calculation of tax liabilities before your last day, if applicable.

Any unsettled recoveries (e.g. advances, loans, assets, or damages) must be cleared before your F&F is processed.

Your email and system access will be disabled on your last working day.

**Kindly regularize your Attendance for the concerned period in the Quikchex system.**

We thank you for your contributions and wish you the very best in your future endeavors.

@Pradeep Kumar Kindly confirm if the handover has been completed.

**Thanks and Regards,**
